

Packaging Solutions For Beverage

Europe Packaging offers premium packaging solutions for glass bottles and gift kits, designed to combine protection with a luxurious unboxing experience.

Our portfolio includes offset-printed corrugated and folding carton boxes with custom die-cut inserts, ensuring secure bottle positioning and minimizing the risk of damage during transport, storage, and retail handling. These solutions are ideal for gin, wine, and seasonal cocktail sets.

Engineered for strength and visual appeal, our packaging enhances shelf presence and brand perception through refined graphics and premium finishes, helping brands deliver a distinctive and memorable experience.

Why Europe Packaging

- Custom-designed beverage packaging structures tailored to bottle formats, multipacks, and promotional sets
- Premium corrugated, solid board, and folding carton constructions
- Precision-engineered inserts, dividers, and bottle holders
- High-quality offset printing
- Functional and consumer-friendly design features including integrated handles, finger holes, and easy-open formats
- Designs aligned with consumer experience and brand storytelling

Let's Build Your Packaging Solutions
