

## Packaging Solutions For **Food & Take Away Products**

Europe Packaging offers folding carton and sleeve packaging solutions for a wide range of food and takeaway applications, combining hygiene, protection, and strong visual appeal.

Our portfolio includes meal boxes, catering packs, sleeve cartons, and display units designed for direct and indirect food contact. Engineered for food safety and convenience, these solutions ensure reliable performance during preparation, transport, and handling while maintaining product integrity.

Designed for functionality and presentation, our packaging enhances consumer experience and brand visibility through practical designs, easy handling, and shelf presence, helping drive customer satisfaction.

### Why Europe Packaging

- Versatile folding carton and sleeve designs for takeaway, bakery, confectionery, and ready meal applications
- Efficient, space-saving constructions for packing, transport, and display
- Structurally optimized packaging formats
- Compliance with food contact standards
- High-quality offset printing with advanced finishing options
- Functional and ergonomic designs with many features
- Sustainably sourced, recyclable paperboard materials

#### Let's Build Your Packaging Solutions

Let us develop food packaging solutions that combine hygiene, performance, and strong shelf appeal.
